Medical Expert

Clinical Skills:

	Below expectations for training level	2	Meets expectations for training level	4	Exceeds expectations for training level	N/A
	1	2	3	4	5	N/A
Demonstrates basic scientific and clinical knowledge relevant to endoscopy and applies this knowledge to the clinical context.	0	0	0	0	0	0
Completes accurate and well organized history and physical examinations and recognizes all major significant findings.	0	0	0	0	0	0

Technical Skills:

	Below expectations for training level	2	Meets expectations for training level	4	Exceeds expectations for training level	N/A
	1	2	3	4	5	N/A
Passes an upper endoscope.	0	0	0	0	0	0
Participates in 120-150 lower endoscopies.	0	0	0	0	0	0
Reaches the cecum in 80% of colonoscopies.	0	0	0	0	0	0
Intubates terminal ileum in some cases, with some assistance.	0	0	0	0	0	0
Completes an endoscopic biopsy independently.	0	0	0	0	0	0
Complete simple polypectomies independently. Completes advanced polypectomies with assistance.	0	0	0	0	0	0

Communicator

	Below expectations for training level	2	Meets expectations for training level	4	Exceeds expectations for training level	N/A
	1	2	3	4	5	N/A
Discusses the indications for endoscopy and obtains consent from patients and explains diagnostic and therapeutic plans in terminology that is understandable to patients.	0	0	0	0	0	0
Establishes therapeutic relationships with patients, communicates well with families. Demonstrates empathy and sensitivity to racial, gender and cultural issues.	0	0	0	0	0	0

Collaborator

	Below expectations for training level	2	Meets expectations for training level	4	Exceeds expectations for training level	N/A
	1	2	3	4	5	N/A
Communicates diagnostic and therapeutic plans effectively to health care personnel and with Gastroenterologists.	0	0	0	0	0	0
Participates effectively and appropriately in an interprofessional healthcare team. Acts as positive force in the endoscopy unit	0	0	0	0	0	0

Health Advocate

	Below expectations for training level	2	Meets expectations for training level	4	Exceeds expectations for training level	N/A
	1	2	3	4	5	N/A
Counsils patients regarding the rationale for screening guidelines, including colonoscopies, for colorectal cancer.	0	0	0	0	0	0

Scholar

	Below expectations for training level	2	Meets expectations for training level	4	Exceeds expectations for training level	N/A
	1	2	3	4	5	N/A
Effectively uses evidence in day to day clinical work. Reads around cases and is knowledgeable about own patients.	0	0	0	0	0	0

Professional

	Below expectations for training level	2	Meets expectations for training level	4	Exceeds expectations for training level	N/A
	1	2	3	4	5	N/A
Demonstrates a commitment to excellence in clinical care and personal ethical conduct. Exhibits proper professional behaviour. Including adhering to legal and ethical codes of practice.	0	0	0	0	0	0
Maintains and completes a procedural case log that accurately reflects the resident's endoscopic experience.	0	0	0	0	0	0

Overall Rating

	Below expectations for training level	2	Meets expectations for training level	4	Exceeds expectations for training level	N/A
	1	2	3	4	5	N/A
Overall Rating	0	0	0	0	0	0

Comments

Comments:

The faculty supervisor has reviewed the case log for this rotation with the resident:

- yes
- no

Cecal intubation rate last 20 cases:

- yes
- no

Four endoscopy tracking forms have been completed and submitted to the PD:

- yes
- no

Please select other Teachers/Supervisors who contributed to this evaluation:

- None
