

| Medical Expert | 1 | 2 | 3 | 4 | 5 | n/a |
|--|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Operative Procedures: | | | | | | |
| k) The resident is able to perform operative exposure of femoral vessels | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| l) The resident is able to perform suturing of vascular anastomoses or parts thereof | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| m) The resident is able to harvest and appropriately prepare saphenous vein conduits | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| n) The resident is able to perform saphenofemoral dissection, stripping and ligation of varicose veins | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| o) The resident is able to complete a femoral embolectomy | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| p) The resident understands the indications for and is able to perform lower leg fasciotomies | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| q) The resident is able to safely insert central venous catheters | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| r) The resident is able to perform lower extremity amputations with assistance | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Communicator

| Communicator | 1 | 2 | 3 | 4 | 5 | n/a |
|---|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| a) The resident is able to clearly present a concise and organized history and physical examination to staff surgeons in the emergency room, clinic, and ward settings. Presentations must include a plan of investigation and management | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| b) Admission, consultation, progress, and followup notes are legible, organized, and clear | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| c) Operative reports and discharge summaries are completed in a timely manner (<48 hours) and are organized and accurate | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| d) The resident must demonstrate the communication skills necessary to obtain thorough, focused histories from patients, family members and other care-givers | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| e) The resident must convey pertinent information from the history and physical examination in different circumstances (eg- over the phone, during ward rounds and conferences) | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| f) The resident must explain procedures at a level appropriate for patients and their families to understand in order to gain informed consent | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Collaborator

| Collaborator | 1 | 2 | 3 | 4 | 5 | n/a |
|---------------------|---|---|---|---|---|-----|
|---------------------|---|---|---|---|---|-----|

| Scholar | 1 | 2 | 3 | 4 | 5 | n/a |
|---|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| b) The resident critically evaluates patient outcomes and participates actively in morbidity rounds and mortality rounds | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| c) The resident takes responsibility for their own learning and demonstrates a strategy to learn the basic science and clinical aspects of vascular surgery | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| d) The resident must develop the capacity to access and apply relevant information as well as new and current therapeutic options to clinical practice | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Professional

| Professional | 1 | 2 | 3 | 4 | 5 | n/a |
|---|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| a) The resident appreciates the emotional and ethical issues surrounding the care of patients with vascular disorders and the need to involve family members and other health care-givers in certain situations | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| b) The resident must recognize her/his limits, make independent decisions when appropriate, but keep senior residents, fellows and attending surgeons informed | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| c) The resident is able to provide effective consultation services as a representative of the vascular service | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| d) The resident conducts themselves in a responsible, punctual, and ethical manner | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| e) The resident demonstrates sensitivity towards issues of gender, race, and culture | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Overall Rating

| | 1 | 2 | 3 | 4 | 5 | n/a |
|----------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Overall Rating | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Comments

Your comments are very important. They are to summarize the resident's strengths and areas to improve at the time this report is completed.
